New business:

Tammy Scott:

Our brother, Corey McLamb (our OBR Area Vice President), passed away this past month. He was such a huge asset to our team and to our members. I had the honor to speak at his memorial service. I met his wonderful and gracious family. Corey is not gone, he's just out of sight and always in our hearts.

Our recent shop steward class was a huge success. The largest class we have had thus far. Thanks to all who attended.

Your e-board officers will be attending the CWA District 3 meeting April 28-May 1, 2024 in Louisville, KY. Please reach out to any steward or area rep during that time if assistance is needed. We have our stewards posted on our website and Facbook page along with their contact information.

I would like to put a motion on the floor to take Sebrenda Clifton and Joan Newsome-White with me to the CWA National Political and Legislative convention in Washington, D.C. in June. I must attend

a president meeting on June 24th and will be lobbying Congress for the Call Center bill. The legislative and political conference will be held June 25th and 26th. We will be returning the afternoon of the 26th. This will be voted on over the next two membership meetings. The first vote will be today, while the second vote will be at the membership meeting on June 11, 2024.
