The hours for the upcoming event will be 12 noon to 6 p.m. We will post more information when everything is finalized.

The winter bid opened today. Please make sure you complete the bid process by 11 a.m. EST on October 15.

Please make sure you are keeping up with “Sys Res Ops.”

The local will be closed October 14 in observance of Columbus Day.

Please remember that when requesting a shop steward per article 25, it's any steward on duty. I have important duties as president and have an entire team. The process is to reach out to a shop steward on duty. No one can be expected to work 24 hours around the clock. Your CCM will provide a list of who's on duty at that time. You will then need to pick a steward from that list. We also have a list of stewards on Facebook, local website and on the bulletin board at the res office. We also have the old contract and current TA on Facebook and our local website.
